An (*) denotes a total of 3 semester credits are necessary to fulfill the related General Education requirement.

An (**) denotes that this science course must be accompanied by another 1 credit laboratory or 3 credit science course to fulfill the General Education requirement.

» Students must have a minimum of 30 upper-division semester credits to meet graduation requirements.

» Official transfer credit evaluation takes place once a student is enrolled at Ashford University and all official transcripts have been received.

» Courses that meet more than one General Education requirement or direct transfer can only be applied to one area. A course cannot apply more than once unless it carries the required credit.

| Course | Course Title | Semester Credit | General Education Areas Met | | | Elective or NCG | Course Equivalent | | |
| WLD 117 | ARC WELDING IN THE VERTICAL POSITION | .5-2 | | | | ELEC | | | |
| WLD 118 | ARC WELDING IN THE OVERHEAD POSITION | .5-1 | | | | ELEC | | | |
| WLD 120 | INTRODUCTION TO MIG WELDING | .5-1 | | | | ELEC | | | |
| WLD 121 | MIG WELDING WITH SPRAY ARC PROCESS | .5-3 | | | | ELEC | | | |
| WLD 122 | MIG WELDING WITH GLOBULAR TRANSFER | .5-2 | | | | ELEC | | | |
| WLD 125 | TIG WELDING | .5-3 | | | | ELEC | | | |

An (*) denotes a total of 3 semester credits are necessary to fulfill the related General Education requirement.

An (**) denotes that this science course must be accompanied by another 1 credit laboratory or 3 credit science course to fulfill the General Education requirement.

» Students must have a minimum of 30 upper-division semester credits to meet graduation requirements.

» Official transfer credit evaluation takes place once a student is enrolled at Ashford University and all official transcripts have been received.

» Courses that meet more than one General Education requirement or direct transfer can only be applied to one area. A course cannot apply more than once unless it carries the required credit.
